WORK & TRAIN AT SURF BEACH SURGERY

Join a thriving, supportive practice where world-class medicine meets an enviable coastal lifestyle.

At Surf Beach Surgery, we believe you shouldn't have to choose between a rewarding medical career and an incredible quality of life. Whether you are an experienced VR GP looking for a positive change or a registrar seeking an exceptional training environment, our practice offers the perfect balance of professional growth and outdoor adventure.

WHAT WE OFFER OUR DOCTORS & REGISTRARS

- Comprehensive Examination Preparation: Receive dedicated, high-quality clinical supervision and structured support tailored to help you confidently pass your RACGP or ACRRM fellowship exams.
- Excellent Billing Opportunities: Benefit from a strong, loyal patient base and an efficient practice model that ensures high earning potential from day one.
- A Positive, Collaborative Team: Work alongside a warm, welcoming team of doctors, nurses, and administrative staff who genuinely support one another and prioritize a low-stress workplace.
- Unmatched Clinical Support: Access ongoing mentorship, collaborative clinical meetings, and a wealth of shared knowledge to support your daily practice.

THE ULTIMATE COASTAL LIFESTYLE

- World-Class Surfing: Walk straight out of the clinic or your home and onto pristine sand. We are located moments from premier surf breaks.
- Premium Mountain Biking: Swap the ocean for the dirt with top-tier mountain biking trails right on your doorstep.
- An Idyllic Community: Enjoy a relaxed, welcoming coastal town atmosphere that is perfect for singles and families alike.

TRAINING & REGISTRARS

We take great pride in nurturing the next generation of general practitioners. Our accredited supervisors provide hands-on guidance, regular teaching slots, and a safe environment to expand your clinical skills. We don't just teach medicine—we mentor you on how to run a sustainable, highly efficient, and fulfilling practice.
